PATRONS OF MAGIC AWARD

On behalf of the International Brotherhood of Magicians, Singapore Ring 115, I would like to congratulate **J C Sum & 'Magic Babe' Ning** for being recipients of the "Patrons of Magic" Award for their contributions to the Singapore magic scene.

Your continued efforts in delivering world-class performances, original illusions as well as appearances on international television & media have raised the prestige and awareness of the art in Singapore.

The knowledge base of the entire magic community has also benefited from your best-selling illusion books & DVDs, and helped raise Singapore's standing in the international magic arena.

Best wishes for the future, and continue to elevate the art of magic to new levels!

Yours magically,

JOHN TEO
